About Niche Insurance

Weddinginsurance.com.au is owned and managed by Niche Insurance Pty Ltd ('Niche'), ABN 85 642 823 443, AFS Licence No. 530784.

At Niche, **We** have over 25 years of experience in the insurance industry, across markets in the UK, Australia and New Zealand. However, we're not a giant insurance company that simply bolts on products to capture more market share. Niche is all about focusing on those unusual insurance spaces (like wedding insurance) and servicing them in a customer-centric way.

That means **You** can expect high standards when it comes to **Your** customer service and claims experience. Bottom line: we're here to help when **You** need it most.

So, if **You** want one less thing to worry about on **Your** big day, protect **Your** outlay with weddinginsurance.com.au

Your Duty Of Disclosure

Before **You** enter into an insurance contract, **You** have a legal duty to take reasonable care not to make any misrepresentation to **Us** under the Insurance Contracts Act 1984 (Cth).

It is essential that when **You** respond to specific questions that **We** ask, **You** respond fully, honestly and accurately (and to the best of **Your** knowledge). To assist **You** with providing **Us** with honest and accurate responses, **We** have endeavoured to ensure that any questions **We** ask are clear and easy to understand.

The duty to take reasonable care not to make a misrepresentation applies any time **You** answer **Our** questions as a part of an initial insurance application, when extending or making changes to an existing insurance and when reinstating any previous contract of insurance.

We may later investigate the answers **You** provide to **Us**, for example, when a claim is made.

It is very important that **You** comply with **Your** duty, as this may impact on **Your** insurance cover. A misrepresentation is an answer or statement that is not true, only partially true, or does not fairly reflect the truth.

Please contact Niche if **You** are unclear of any particular question or would like a question explained to **You**.

In determining whether **You** have fulfilled **Your** duty, **We** will consider all of the relevant circumstances of a particular case.

If **We** determine that **You** have failed to fulfil **Your** duty, **We** have certain rights which depend on what **Your** insurance offer may have been had **You** not made a misrepresentation, and whether or not the misrepresentation was fraudulent. For example, **We** may:

- Treat the **Policy** as if it never existed (this does not mean that **We** will refund any premiums that **You** have already paid).
- Change the amount of cover (the level of cover may be reduced).
- Change the terms of **Your** insurance contract (certain events may be excluded from being covered).

This could mean that an insurance claim is not paid, that the amount or benefit paid may be reduced, or **Your** insurance premiums are increased.

Words With Special Meanings

Some words in this document have defined meanings. Where they appear:

'You' and **'Your'** mean the person(s) whose names are set out on **Your** Certificate of Insurance.

'We', **'Our'** and **'Us'** means the **Insurer** who deals with **You** through Niche.

Other words in this Product Disclosure Statement (PDS) have a special meaning and also appear in **bold**. When these words are used, they have the meaning set out in the **Definitions** section.

Our Contract With You

This document, the **Schedule**, and any endorsement(s) attached, form the **Policy**.

The **Policy** is a Contract of Insurance between **You** and **Us** and contains all the details of the cover that **We** provide.

The **Policy** consists of:

- the **Schedule**;
- the combined PDS and **Policy** Wording;
- any applicable Supplementary PDS ("SPDS") **We** issue that varies it;
- any other document **We** tell **You** forms part of the **Policy** which may vary or modify the above documents.

These documents should be read together as they jointly form the Contract of Insurance between **You** and **Us**.

Several Liability Clause

The subscribing insurers' obligations under this Policy are several and not joint and are limited solely to the extent of their individual subscriptions.

Each subscribing insurer is liable only for the proportion of liability it has assumed and is not liable for the proportion of liability assumed by any other subscribing insurer.

In the event of the insolvency of any subscribing insurer, the remaining insurers shall not be liable for that insurer's share of any claim

Receiving Your Policy Documents

You will receive the **Policy** documents electronically, including but not limited to email. When sending by email, Niche will send them to the email address that **You** have provided.

Each electronic communication will be deemed to be received by **You** twenty-four (24) hours after it leaves Niche's information system.

You are responsible for ensuring that the email address and contact details that Niche has are up to date. Please [contact Niche](#) to change any email or contact details.
